AD CLUB ROYALLY GREETED IN HILO

CAPACITY AND HOSPITALITY ARE LIMITLESS

(Continued from page one)

Sunday morning were representatives
of the Hilo board of trade and the
Hilo railroad. Automobiles were on
hand and the augmented party was
whisked to the Hilo hotel and thence
to the railroad station, where it board-
ed a special train for the trip to Paau-
ilo. L. A. Thurston explaining in min-
ute detail the myriad of interesting
points along the road. A basket lunch
was served at the terminus of the road
and the trip to town followed, a visit
to the magnificent new Hilo wharf
preceding the start for the Volcano
House, where Sunday evening was
spent. A trip to the crater was made
Monday, a portion of the party mak-
ing the Kaiapana trip and returning to
Hilo in time for luncheon, as guests of
the board of trade, at the Hilo hotel,
after visiting Rainbow Falls and the
Boiling Pots.

Following a bounteous repast, a num-
ber of speeches were made, all being
minus the "knock" and in line for
a wider publicity for the many won-
derful scenic grandeur with which
nature has endowed these islands.
Each of the speakers struck the same
keynote, "get together and work for
the greatest good of the entire com-
munity." It was pointed out by a
number of the speakers that Hawaii
is hiding her light under a bushel,
by not telling the world what she has
to show. Mr. Johnson, representing
the Santa Fe Railroad, made, prob-
ably, the strongest speech of the day,
and pointed out the fact that the is-
land of Hawaii, alone, had scenic pos-
sibilities that would startle the best
posted globe-trotters, were their in-
terests once aroused. So well were
the members of the Ad Club impress-
ed with Mr. Johnson's remarks that
he has been invited to address the

weekly luncheon of that organization
at the Palm cafe tomorrow noon.

Following the luncheon, the joyful
ceremony of "burying the hammer"
was performed, worthy opponents of
deceased acting as pall-bearers and W.
R. Farrington, president of the Ad
Club delivering the funeral oration.

The party sailed from Hilo last
night, well pleased with the trip, en-
thusiastic over the sights seen, and
feeling well repaid for the trip. The
object of the Ad Club excursion was to
tell Hilo that the members of that or-
ganization are "for her." The mes-
sage was delivered in good shape, and
was received in the proper spirit.
So popular an organization did the
Ad Club prove during the trip that
some fifty persons insisted on becom-
ing members, some going so far as
to pay a premium for the special dis-
cussion necessary to admit them
outside of a regular meeting.

Edward Orme Cheatham, aged 4
1-2 months, the youngest member of
the Ad Club, acted as chaperone for
his parents throughout the trip, and

Raise Your "Batting Average" With B. V. D.

In the game of life and of
wits, what you accomplish
per day depends upon how
you feel by day. Bodily depres-
sion is quick to act on a man's
mind, and to turn an eager worker
into a sulky shirker.

"Start the day right" by getting into cool, light
woven, loose fitting B. V. D. Coat Cut Undershirts
and Knee Length Drawers.

You'll keep "feeling right" all day and you'll "raise your
batting average" for the day. This is the simple prescription of
"Doctor Common Sense". On every B. V. D. Undergarment
is sewed

ward Orme Cheatham, youngest mem-
ber of the Ad Club, making love to

proved himself the best behaved mem-
ber of the organization.

A full measure of the success of
the Ad Club excursion in the Inter-
Island steamer Mauna Kea was due
to the untiring effort of President and
Manager James A. Kennedy, who ac-
companied the party to Hilo and was
ever mindful of the comfort of the
large delegation of passengers who
thronged the steamer and who enter-
ed heartily into the spirit of the out-
ing.

In Captain William (Dad) Free-
man, veteran navigator in the Inter-
Island service and master of the Ma-
una Kea the excursionists found a
genial entertainer.

Purser Peter Phillips and Chief
Steward Frank De Mello came in for
a big share of praise for the unqual-
ified success of the trip across the
channels and to the Crescent City. A
spread of unusual excellence was
served the travelers. Old Neptune
elected to remain below the surface
of the Pacific during the entire trip,
with the result that the Mauna Kea
sped over her course minus much
disagreeable rolling.

MAY DECIDE ON THE WARRENITE

The board of supervisors will meet
tonight to decide on the paving of
Kaukaia avenue and it was stated
today that there is much public sen-
timent in favor of warrenite instead
of asphalt macadam. One of the su-
pervisors intimated that the board might
choose the warrenite. A number of
citizens have declared that the differ-
ence in the cost, about \$7,000, will be
more than made up by the more per-
manent character of the warrenite.

MORE CHAUFFEURS ARE ACCUSED OF WHITE SLAVERY

Two more arrests on charges of
white slavery were made yesterday
afternoon by the U. S. marshal, on
warrants issued by Assistant U. S.
District Attorney C. C. Bittling, the
accused men being J. F. Hughes and
George A. Bower, both chauffeurs.
The latter already faced a similar
charge, for which he was indicted sev-
eral weeks ago by the federal grand
jury, and was out under heavy bail.
In the present case Bower, better
known as "Bert" Bower, the baseball
umpire, was released again on bail,
the amount being fixed at \$1500 and
Joel C. Cohen and George V. Jakins
appearing as surety.

Bower and Hughes are accused of
violating the federal statute in trans-
porting a woman from one part of
Honolulu to another for immoral pur-
poses between 2 and 4 o'clock last
Saturday morning. Hughes' bail was
set at \$1500. He was released on sure-
ty given by I. Scharlin and Leon M.
Starr. The preliminary hearing in
both cases is set for next Friday after-
noon at 2 o'clock.

A 21-year-old member of a vaude-
ville team in New York was killed
while rehearsing his part.

CASTORIA

for Infants and Children.
'The Effects of Opiates.'

THAT INFANTS are peculiarly susceptible to opium and its various pre-
parations, all of which are narcotic, is well known. Even in the smallest
doses, if continued, these opiates cause changes in the functions and growth of
the cells, which are likely to become permanent, causing imbecility, mental
perversion, a craving for alcohol or narcotics in later life. Nervous diseases, such
as intractable nervous dyspepsia and lack of staying powers, are a result of doing
with opiates or narcotics to keep children quiet in their infancy. The rule among
physicians is that children should never receive opiates in the smallest doses for
more than a day at a time, and only then if unavoidable.

The administration of Anodynes, Drops, Cordials, Boothing Syrups and other
narcotics to children by any but a physician cannot be too strongly decried, and
the druggist should not be a party to it. Children who are ill need the attention
of a physician, and it is nothing less than a crime to dose them willfully with nar-
cotics. Castoria contains no narcotics if it bears the signature of Chas. H. Fletcher.

The signature of *Chas. H. Fletcher* guarantees genuine
Castoria.
Physicians Recommend Castoria.

"Your preparation known as Castoria I have used
for years in children's complaints and I have found
nothing better." John J. Larrabee, M. D.,
Cleveland, Ohio.

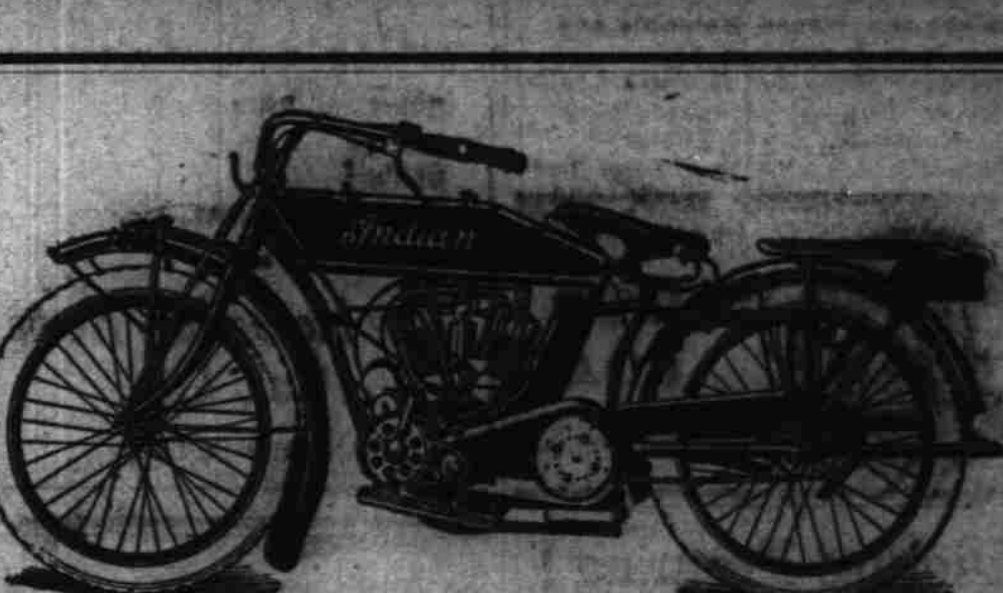

"For several years I recommended your 'Castoria'
and shall always continue to do so, as it has irre-
sistibly produced beneficial results." Edwin F. Parker, M. D., New York City.

"I have used your Castoria in my own household
with good results, and have advised several patients
to use it for its mild, laxative effect and freedom
from harm." Edward Ransom, M. D.,
Brooklyn, N. Y.

"Your Castoria is a meritorious, household
remedy. It is purely vegetable and acts as a mild
cathartic. Above all, it does no harm, which is
more than can be said of the great majority of chil-
dren's remedies." Victor H. Cowman, M. D., Omaha, Neb.

Buying an Indian is like Buying a Gold Dollar!

Indian Motorcycles are always conservatively priced. Indian prices are
never asking prices—they are value prices.

Indian prices do not fluctuate one penny throughout the selling year.

Indian value has become so nationally recognized that it is the standard
of comparison in all motorcycle transactions.

It is because Indian purchasers know these things to be true that In-
dian dealers have such an unshaken confidence not only in the machines
themselves, but in every selling condition which surrounds them.

What greater demonstration of the value of INDIAN MOTORCYCLES can
be given than the fact that there are over 20,000 1913 models made, sold
and delivered—and the factory is still behind orders?
